

## Practical Drafting Tips for Technology and Licensing Agreements

**This presentation will provide practical, actionable advice in connection with drafting, reviewing, and negotiating SaaS agreements, software license agreements, IP licensing agreements, and other related agreements.**

10.01.2021

Event Sponsor: KJ University

This presentation will provide practical, actionable advice in connection with drafting, reviewing, and negotiating SaaS agreements, software license agreements, IP licensing agreements, and other related agreements. The presentation will contain example contract language and provide tips on how to improve the language. The presentation will focus on “real world” issues that come across attorneys’ desks on a regular basis.
