If you are interested in speaking to an attorney about potential representation please utilize the form below. Please be advised that contacting us through our website does not create an Attorney-Client relationship between you and our firm or between you and an attorney in our firm. There may be reasons why we cannot represent you with respect to a particular matter. For example, we may already represent another client with respect to that matter, and our representation of both of you would be a conflict of interest. If you wish to e-mail us about a legal issue, please do not provide any specific information until one of our attorneys has notified you that we specifically agree to serve as your legal counsel.
