

Trends in M&A

Mergers & Acquisitions Magazine
10.04.2017

Mergers & Acquisitions Magazine recently published a supplement on law firms and Mike Hupp, President of Koley Jessen and Head of M&A, provided insight on trends he has seen in the deal-making environment and in private equity industry. He also shares ideas on how attorneys can add value not only on the economics and negotiating of deals, but also in sourcing deals.
