Agenda

11:00 AM - 12:00 PM

Registration, Lunch Provided

12:00 PM - 12:30 PM

Intro to Federal Healthcare Compliance Topics | 30 minutes

Joseph E. Huigens

Joe will provide an overview discussion of some of the key federal regulations and compliance topics most relevant to provider-based entities.

12:30 PM - 1:15 PM

HIPAA Refresher and Information Blocking | 45 minutes

Jacob S. Walker

Jake explains the basic provisions of HIPAA that your practice needs to know and how the new 'information blocking' rules add to the practice's obligation to facilitate patients' ready

ATTORNEYS

Joe Huigens
Gretchen L. Lusso
Richard D. Vroman
Jacob S. Walker

PRACTICE AREAS

Health Law

2022 Health Law Symposium

access to their health information.

1:15 PM - 1:30 PM

Break

1:30 PM - 2:15 PM

Malpractice Insurance and the Nebraska Hospital-Medical Liability Act | 45 minutes

John Marshall (SilverStone Group)

John Marshall, of SilverStone Group, provides an update on Nebraska medical malpractice insurance issues and important reminders about the scope of coverage accorded to healthcare providers (and practices) under Nebraska law.

2:15 PM - 3:00 PM

Meeting the Stark Law “Group Practice” Requirements | 45 minutes

Joseph E. Huigens

The in-office ancillary services exception is one of the most commonly relied upon Stark Law provisions by physician practices, and its application rests on the practice meeting the Stark Law’s definition of a “group practice.” Recent amendments and clarifications within the Stark Law have impacted requirements for the exception to apply. Joe provides a condition-by-condition discussion of what physician group practices need to know to maintain group practice status.

3:00 PM - 3:15 PM

Break

3:15 PM - 3:45 PM

Basics of the No Surprises Act | 30 minutes

Gretchen L. Lusso

The No Surprises Act is a relatively new piece of federal legislation that applies to virtually all healthcare providers and facilities. Jake will discuss the basic requirements for compliance with the Act, including balance billing prohibitions, required disclosures to patients, and good faith estimates.

3:45 PM - 4:15 PM

Practicing in a Post-COVID World | 30 minutes

Richard D. Vroman

Workplaces are different in the post-COVID world. Medical practices and other businesses in the healthcare industry are no exception. Rick will discuss common issues in the post-COVID workplace, including regulations specific to the healthcare industry.
