

## Webinar: Best Practices for Form Software License Agreements

Join our Commercial and Technology Contracts team as they explore key strategies and best practices for drafting and negotiating software license agreements that protect your company's interests while fostering positive business relationships.

05.10.2023  
11:00 AM - 12:00 PM

How can you improve upon your company's form software license agreement? Join our Commercial and Technology Contracts team as they explore key strategies and best practices for drafting and negotiating software license agreements that protect your company's interests while fostering positive business relationships. Both sessions will provide key takeaways and practical examples on a variety of contract provisions.
