

How to Improve Your Company's Form Software License Agreement – A 10 Part Series

2023

When developing or updating your form on-premise software license agreement, there are several things that should be considered. Our Commercial and Technology Contracts team has written a ten-part article series to provide an overview of critical considerations from a software licensor's perspective. This article series will also be helpful from a licensee's perspective to better understand licensors' form agreements.
